Plants in the Park 2021: A Few Notes from the PIP Team

Dear Plants in the Park attendees,

Master Gardeners of Cuyahoga County are back for our exceptional Plants in the Park sale at the Kiwanis Pavilion in Independence!

As in past years, we will have perennials, herbs, trees and shrubs, vegetables, succulents and more! One of the great features of our plant sale is being able to ask a Master Gardener all your gardening questions.

Importantly, please note: We will be replenishing all our plants throughout the day. If you don't want to wait in a long line, please consider shopping later in the day. We have extended the sale to 2:00 p.m. to accommodate social distancing. Though we welcome our 9:00 a.m. shoppers, we can assure all shoppers that throughout the day you will have a great selection as we replenish plants.

Feel free to [email us](#) with questions or comments.

COVID Issues

As you know, COVID guidelines are changing. At this time:

If you are vaccinated, masks are recommended but optional inside the Pavilion.

As a courtesy to other shoppers, if you are not vaccinated, we ask that you please wear a mask inside the Pavilion.

Masks are not needed while waiting in line outside. We will be limiting the number of shoppers inside the Pavilion so all can stay 6 feet apart.

Because we are an OSU affiliated entity, we must adhere to OSU guidelines. OSU requires that we collect your name and contact information, in the event we have to contact you. In addition, we welcome you to sign up for emails from us about educational opportunities and other events.
