Guests are welcome for this program.

This is your opportunity to learn all about invasive plants and weeds. The Ohio dept. of Natural Resources has identified over 60 species of invasive plants in Ohio. The damage from these plants is estimated at \$34 billion dollars a year. This is a wonderful opportunity for Mgs to learn about these invaders. This is also the perfect time to tour and learn about our perennial, herb, vegetable and school gardens at Ben Franklin before or after the program.

Registrations must be received by Monday, May 7, 2012. Fee is \$7.50 (or Bonus Buck).

NEW IN 2012: You may now pay online by credit card or PayPal at <http://www.cuyahogamg.org/EducationStore>. To pay by check or Bonus Bucks (old Bonus Bucks honored for \$7.50), complete and return the registration blank below. Please note - if you pay by Bonus Buck and wish to register on-line, you may do so for a fee of \$0.50 but must follow-up with your Bonus Buck in the mail by the deadline.
