

A Cuyahoga County Master Gardener Continuing Education Program

Critical Issues for Master Gardeners Series – GMOS, PHENOLOGY, TECHNOLOGY

Lee Beers, Trumbull Extension Educator, OSU Extension  
Denise Ellsworth, Program Director, Honey Bee and Native Pollinator Education, Dept. Entomology/Ext.  
David Gilronen, MG Resource Specialist

Thursday, February 16, 2017 9:30 am – 1:00 pm  
Education Credits 3.0 Maple Heights Library  
5225 Library Lane  
Cleveland, OH 44137  
Fee: \$6.00 or Bonus Buck Guests Welcome

"HE is neonicotinoid-dependent, and there is a rumor that SHE is a GMO!"

Genetically Modified foods- What does OSU research tell us? Phenology-A basic understanding, what can we learn from new research and what practical applications can we use?

Technology for a Master Gardener – Are you ready to share your gardening knowledge but, afraid of the equipment we use? Let MGVs David Gilronen and Pat Koch offer an opportunity for hands on learning.

Registrations must be received by Wednesday, February 8, 2017.

Pay online at <http://www.cuyahogamg.org/EducationStore.html>.  
To pay by check complete and return the registration blank below.
