**Gardening with Different Language and Cultural Groups– Maggie Fitzpatrick– ANR Educator Cuyahoga County**

There is a great deal to learn from people of different cultures and backgrounds; this is especially true in the garden. Gardening with people from different cultural groups can have unique challenges. Maggie will discuss these opportunities, challenges and strategies for working with diverse communities in the garden.

**Pest Control– Charles Behnke– Retired ANR Educator**

Learn about pest control for perennials and vegetable gardening.

**Invasive Plants- Jennifer Hillmer- Cleveland Metroparks**

Learn how to find, evaluate, prioritize and remove invasive plants as part of your landscape management program. Effective detection and control of invasive plants is an integral part of gardening stewardship.
