Dear Rita,

Please join us for our 1st MGCC Continuing Education Event of 2019 ! We have 3 great topics on the agenda:

Cleveland Urban Greening Efforts

Presenter Sandra Albro, Research Associate, Holden Forests & Gardens, will share information about urban greening efforts undertaken by Holden Forests & Gardens in Cleveland, including green stormwater infrastructure, low-maintenance landscapes, vacant land use and urban reforestation.

Native Plants

Presenter Constance Hausman, Plant and Restoration Ecologist with the Cleveland Metroparks- Learn what the Metroparks does to protect our native plants and what we can do in our landscapes.

Therapeutic Horticulture

Presenters Katie Harbage, Jeanne Menger and Hedy Westra - Learn how to use our gardening knowledge to help heal. Hands on projects included for those needing ideas

Cost is \$6.00 or bonus buck

If paying by bonus buck - enter "BONUSBUCK" as the Promo Code on the registration page and bring your bonus buck with you to the event as your payment.
