

Rust Belt Riders - MGCC June 15 CE

The soil food web and how to make good compost

Rust Belt Riders is a Cleveland food waste recycling service that makes and sells compost to teach people about sustainability, soil and climate change. Since 2014, Rust Belt Riders has been working with people and organizations across NE Ohio to provide them with a clean and timely alternative to landfills for their food waste.

Fee: \$6.00 or BONUS BUCKS

You will receive
2 Continuing Education Credits
for attending this event.
