

Saturday Gatherings in the Garden **Container Gardening with Perennials and Annuals**

When

Saturday, June 13, 2020
10:00 am - 11:00 am

Where

This workshop will be held
online using Zoom

Join us for the newest online programming presented by members of Master Gardeners of Cuyahoga County.

We are offering six one-hour, informative sessions on Saturday mornings. We will cover different aspects of gardening beginning in June and continuing through August 2020.

Our first gathering will be held on Saturday, June 13, 2020 from 10:00 am -11:00 am.

Container Gardening with Perennials and Annuals

**Presented by Cuyahoga County
Master Gardener Holly McTernan**

Holly McTernan is a second-generation Master Gardener who joined the program in 2014. She has a particular interest in wildflowers, vegetables, and small fruit trees. When not in her garden, she teaches physics at St. Edward High School and Baldwin Wallace University. Holly enjoys collaborating with other teachers, caring for her pets or playing violin with the Euclid Symphony Orchestra or at the Music Settlement.

Container Gardening is a way to make gardening accessible to everyone. Containers can be grown on patios, backyards and porches. This presentation will share with you the planting and care basics and give you an understanding of the design principles to make a creative container garden. With this knowledge and your creativity you can make your own one of a kind planting.

Click on the link below to register!

Information on how to join will be sent to all registrants no later than June 11 2020.
