Join us for the newest online programming presented  
by Master Gardeners of Cuyahoga County.

We are offering six one-hour, informative sessions on Saturday  
mornings. We will cover different aspects of gardening  
beginning in June and continuing through August 2020.

**Our second gathering will be held on Saturday, June 27,  
2020 from 10:00 am - 11:00 am EDT.**

### **How to Keep the Uninvited at Bay: The Problem of Wildlife in our Gardens**

Presented by Cuyahoga County  
Master Gardener Susan Strauss

**Susan Strauss has been a Master Gardener since 2014. Her main gardening interests lie in vegetable and community gardening and restoring natural areas with native plant installations. Currently, she is spending a lot of time like most gardeners protecting areas around her home from deer and other unwanted guests.**

Do you have deer, chipmunks, skunks, or rabbits frolicking in your garden? Have they ever dined uninvited on your carefully-tended plants? This talk will focus on the problem of wildlife in our gardens and what we can do about it. Cuyahoga County Master Gardeners will introduce you to deer and rabbit resistant plants and suggest humane options for repelling and eliminating these pesky critters from our gardens.
