Join us every other Saturday for informative and timely gardening sessions presented online by Master Gardeners of Cuyahoga County. On September 12 we offer the following topic:

Putting the Garden to Bed

Presented by Cuyahoga County
Master Gardener Volunteer Christine Harris

As the gardening season winds down and winter approaches, gardeners will want to perform some basic maintenance tasks that will make their work in the spring much easier. This presentation explains the basic chores for putting the garden to bed. Topics covered will include lawns, roses, evergreens and shrubs, vegetable and perennial beds, containers, and tools.

Christine Harris is an outstanding teacher and was the first Master Gardener from Cuyahoga County to win the award for Master Gardener of the Year at the state level. She lives on an acre of land filled with fruit trees, flower beds and vegetable plots. Christine has been a Master Gardener Volunteer since 2004.

**Registration deadline is
