Join us every other Saturday for informative and timely gardening sessions presented online by Master Gardeners of Cuyahoga County. As we head into fall it is time to discuss:

Overwintering Your Patio Plants

Presented by Cuyahoga County
Master Gardener Volunteer Kim Hawkins

We work hard to brighten our patios and yards with containers each spring. But as fall approaches, we need to plan which plants we want to overwinter and how we will do so. This presentation will help you succeed in maintaining your treasured plants through the winter, ready to bring back outside in the spring.

Kim Hawkins has been a Master Gardener since 2008. She has particular interests in perennials, shade gardening, and Japanese maples. Kim was named Ohio Master Gardener of the Year in 2019.

Registration deadline: Friday, October 9 at 12:00 Noon

There is a \$5.00 fee for this event.

Information on how to connect to the online webinar will be sent to all registrants on October 9.
