

Plants and Pollinators at Mentor Marsh

When

Wednesday, July 21, 2021
from 9:00 AM to 11:00 AM
EDT

[Add to Calendar](#)

Where

Carol H. Sweet Nature Center
Parking lot at 5185 Corduroy
Road
Mentor, OH 44060
[Driving Directions](#)

*We'll meet at the Carol H.
Sweet Nature Center parking
lot, 5185 Corduroy Road,
Mentor, 44060.*

*From there we will carpool to
the marsh because there is
limited parking near the
boardwalk of the marsh itself.*

~

*CFAES provides research and
related educational programs
to clientele on a
nondiscriminatory basis. For
more information
visit cfaesdiversity.osu.edu.*

Mentor Marsh, one of the largest natural marshes remaining along the Lake Erie shoreline, became Ohio's first state nature preserve in 1971. We'll walk through the Marsh in two groups of up to 10 with guides provided by the Cleveland Museum of Natural History focused on plants and pollinators.

We will need to follow the social distancing guidelines in place at the time.

Learn more of the history of the marsh and it's restoration by the Natural History Museum starting in 2004 by using the link below:
