Join us every other Saturday for informative and timely gardening sessions presented online by Master Gardeners of Cuyahoga County. The topic for February 27 is:

Waking the Garden in the Spring

Presented by Cuyahoga County

Master Gardener Volunteer Christine Harris

This is a month-by-month discussion of all the garden chores that need to be done from March through June. The program includes winter clean-up, fertilization, pruning, and planting of lawns, flower beds, shrubs, roses and vegetables. It is a practical approach for the home owner.

Christine Harris is an outstanding teacher and was the first Master Gardener from Cuyahoga County to win the award for Master Gardener of the Year at the state level. She lives on an acre of land filled with fruit trees, flower beds and vegetable plots. Christine has been a Master Gardener Volunteer since 2004.

There is a \$5.00 fee for this event.
