

Saturday Gatherings in the Garden

Join us on selected Saturdays for informative and timely gardening sessions presented online by Master Gardeners of Cuyahoga County. On August 28 we take a closer look at:

Vines

Vines are often a neglected part of landscape design. However, they are a versatile addition that can serve to add vertical interest to your property. Some vines can also serve as an excellent ground cover. Join us in learning the many uses of vines and the characteristics of some of our favorite varieties.

Presenter: Christine Harris is an outstanding teacher and was the first Master Gardener from Cuyahoga County to win the award for Master Gardener of the Year at the state level. She lives on an acre of land filled with fruit trees, flower beds and vegetable plots. Christine has been a Master Gardener Volunteer since 2004.

There is a \$5.00 fee for this event.

Registration ends Friday, August 27 at 2 PM

Information on how to connect to the online webinar will be sent to all registrants on August 27.
