(Master Gardener Volunteers earn 1 CE for this event. Bonus Bucks will not be accepted.)

Join us on selected Saturdays for informative and timely gardening sessions presented online by Master Gardeners of Cuyahoga County. On November 20 we discuss:

Raised Garden Beds

There are many benefits to using raised beds for gardening. In this presentation you'll learn best practices and how to take full advantage of all that raised beds have to offer. Get a head start on planning next year's garden and give your growing a "lift" with a raised beds tutorial!

Presenter: As a Master Gardener Volunteer in Cuyahoga County since 2010, Deborah Osgood has provided volunteer services in many areas, including a tree nursery during a 2014 Master Gardener trip to Ecuador. When she isn't digging in the soil, Deborah works at a non-profit organization serving children and adults with disabilities and their families, and enjoys spending time with her husband, two grown sons, and three young grandsons.

There is a \$5.00 fee for this event.

Registration ends Friday, November 19 at 2 PM

Information on how to connect to the online webinar will be sent to all registrants on October 21.
