This program is sponsored by Sage's Apples and Ohio State University Extension Geauga County. Erik Draper, Horticulture Extension Educator and the "Ole Sage Crew" will be "cutting loose" on pruning techniques.

This will be a hands-on, get yourself dirty, workshop! We will prune peach and apple trees, and small fruits like blueberries, blackberries, raspberries, and grapes. Bring your own pruners, loppers or saws and dress for the weather. Participation is expected and is a big part of the learn-as-you-lop-it fun!

To register, or if you have any questions, please call the Extension office at 440-834-4656. Mail your payment to OSU Extension, P.O. Box 387, Burton, OH 44021.
