

Diagnostic Update for Master Gardener Volunteers

What: Update and hone your diagnostic skills while hanging out with other MGVs who love to learn in this one-day class. The class includes individual presentations as well as hands-on samples that provide an opportunity for learning more about specific insect and disease problems. Participants will be given a chance to identify plant samples and learn about the specific problem. Each county in attendance will receive a copy of Common Poisonous Plants and Mushrooms for their county office.

Instructors include: Pam Bennett, Erik Draper, Kathy Smith, and Amy Stone.

When: Monday-August 6, 2012 **Time :** 8:30am – 4:00pm

Where: OSU Extension- Geauga County, Patterson Center Building
14269 Claridon-Troy Road, Burton, Ohio 44021

Topics include: Introduction to Invasive Species, Identifying Invasive Woodland Species, and Asian Longhorned Beetle in Ohio and Why MGVs Should Care.

Cost: \$25.00 includes lunch, snacks, and any handouts

Space is limited so register now!
6 Continuing Education Credit hours are available to MGVs.
