

Youth Gardening Symposium

February 23, 2013

9:00 am-12:00 pm

McGregor Home

14900 Private Drive

East Cleveland, OH 44112

Are you interested in starting a youth garden in your school, summer camp or neighborhood? Do you have an existing gardening program and are looking for new ideas? This workshop will explore many of the topics relating to youth gardening.

Topics to be covered:

- Developing theme gardens
- Activities for Pre & K Students to Promote Gardening and Healthy Lifestyles
- Developing and Sustaining Summer Youth Gardening Projects
- Recycling Material and Creating Art for Your Youth Garden
- And more!

This symposium is free; however, registration is requested to ensure we have enough materials.
