Educated at Harvard University in biology & art, Julie worked as a field biologist for The Nature Conservancy. She has presented illustrated lectures for nature organizations and festivals across the country and exhibited her paintings at universities, museums, galleries, and in juried shows. Illustrations credits include The New Yorker, Spider, Smithsonian, Cricket and Ladybug. She has written and illustrated articles for Country Journal, Bird Watcher's Digest, has published 30+ articles and 17 of her cover paintings since 1986. Julie's illustrated books: The Bird-friendly Backyard, Natural Gardening for Birds, and Enjoying Bluebirds More, have sold more than half a million copies.
