

Garden & Insect Photography

Interested in learning more about photography? Join Summit County Extension Educator & macro photographer, Danae Wolfe, at the beautiful **Stan Hywet Hall & Gardens** to learn about the basics of shooting close-up and macro photos of flowers and insects.

Thursday & Friday, September 11-12, 2014.

All sessions will be held at Stan Hywet Hall & Gardens (714 N Portage Path, Akron, OH 44303) from 10am-3pm. **Program fee is \$100 (includes lunch & materials for both days).**

Members of Stan Hywet can register for the program at a reduced rate of \$86.

Day one: Intro to Macro Photography

This introductory course will include the basics of photography. We'll cover photography equipment, creative (and inexpensive) macro techniques, and using your camera to capture great images.

Day two: Field Session & Critiques

For this course, we will head outside for a hands-on photography field session. We'll focus on mastering your equipment, learning to see like a photographer, & composing beautiful shots. After the field session, we'll head inside for a constructive critique of the photos you took!

Basic equipment needed: A DSLR camera and at least one lens.

Contact Danae Wolfe at Wolfe.540@osu.edu or 330-928-4769, ext. 17 for more information.

See next page for registration information.
