

CFAES

CUYAHOGA COUNTY EXTENSION

Cuyahoga County Hydrangea School

Tuesday June 26th TIME 6 P.M to 8:00PM.

The most popular flower in today's landscape is more than just the shorter blue and pink ones that are sometimes challenging to grow. There are five major types of hydrangeas on the market – even a climbing one! We'll simplify the way you think about hydrangeas and give you a chart to use when choosing the best ones for your specific garden. Winter care of the tender blue and pink types. Plus – **we'll give you a blooming chart** to show you how to have hydrangea blooms from May though October to beautify your landscape.

Program Location

**Fairhill Partners Auditorium
12200 Fairhill Rd.
Cleveland OH 44120**

**Enter through side door, take
elevator to 2nd floor,
OR**
