

Janet Macunovich

Janet is a well-known and highly respected in the gardening community. A professional gardener, she has been designing, planting and maintaining gardens and landscapes for thirty-five years while writing and teaching to help others grow from her experience.

Janet's horticulture background includes coursework at numerous botanical gardens and universities in the U.S. and Canada.

She has authored nine books., developed seminars and workshops for garden and landscape organizations throughout North America.

She has hosted weekly radio programs and published a weekly questions and answer gardening column for eighteen years.

Her column, once distributed with the Detroit News as "Growing Concerns" is now offered exclusively from www.GardenAtoZ.com as a free newsletter.
