Classes, Workshops, & Lectures

Learn to design, dig and plant your own rain garden!! Share your knowledge and become your community's expert on rain gardens. At the end of this 5-session course, you will become a Master Rain Gardener! Rain gardens capture and soak in rainwater that runs off hard surfaces like roofs and driveways while filtering pollutants that would otherwise flow to our storm drains and into our creeks and streams. Age: adult Course fee: \$50

West Creek Reservation

 **440.887.1968**

 **Watershed Stewardship Center**
2277 West Ridgewood Drive
Parma, OH 44134
Driving Directions

 **Send Email**

 **\$50.00**

Participants must attend all five classes, and then either plant a new rain garden, rehab a rain garden, or adopt a public rain garden to receive their Master RAIN Gardener certificate.

Hosted by Washtenaw County Water Resources Commissioner's Office, Cleveland Metroparks, and NEO-PIPE. Instructor: Susan Bryan, Rain Garden Coordinator.

Course meets each of these dates each at 10 a.m.-1 p.m.: Thu. Jun 13; Thu. June 20; Wed. Jun 26; Thu. Jul 11; Thu. Jul 18

Questions? Contact Elizabeth Hiser with Cuyahoga Soil & Water Conservation District at ehiser@cuyahogaswcd.org.
